### To Register Via ATI's Online Store:

To access ATI's Online Store, please go to [www.atitesting.com](http://www.atitesting.com). Click on the "Online Store" link in the upper right hand corner of the page or you can login with your Username and Password/Create a new account if needed and click on the "Online Store" link from the top navigation options in the upper right hand corner.

The screenshot shows the ATI website interface. At the top, there is a search bar and navigation links for "Create an Account", "Online Store", and "Contact Us". The main header features the ATI logo and a woman's face with the text "I've always been a nurse at heart. YOU MAY BEGIN." Below this is a navigation menu with "About ATI", "ATI Product Solutions", "ATI Resources", and "Secure Sign On". The "Secure Sign On" section contains a sign-in form with fields for "Username" and "Password", a "GO" button, and links for "Forgot or need help with your ID?" and "New To ATI? Create an account.". An orange box at the bottom right contains an "Important!" notice about Silverlight software. Red arrows point from the "Online Store" link in the top navigation to the "ATI Resources" link in the main navigation, and from the "ATI Resources" link to the "Secure Sign On" section.

**WE HELP TURN ORDINARY PEOPLE INTO NURSES.**

It takes a special person to be a nurse. Some say it's a calling, others, an epiphany. Whatever the reason, it's one of the most giving career paths one can take. However, it is not an easy path, not for the faint of heart, but for the big-hearted - and big-brained which is where ATI can help. We have the comprehensive and adaptive learning systems to assist in preparing students with what they need to know to pass high stakes tests and to become compassionate skilled nurses. Which is why more nurse educators, universities and colleges around the country partner with us.

**AND HERE'S HOW.**

To us, becoming a nurse involves three stages. The first stage is preparing for and being accepted into a nursing school program. The second stage is learning and succeeding during nursing school. And finally, the third stage is graduating and passing the NCLEX. Through our products and services ranging from pre-admission tests to curriculum testing to NCLEX success, we're here to help educators help students complete all of the steps.

**Learn now. You may begin.**

**Important!**  
You **must** have the free Silverlight software on your computer (if you don't have it already) in order to open the new Faculty and Student home pages and resources. Please [click here](#) before you attempt to log in to install it or determine if you already have it on your computer.

## Step 1 – Registering at ATI:

- Click on “TEAS® at PSI” under the Register for Column.

The screenshot displays the ATI Store website interface. At the top, there is a navigation bar with links for "About ATI", "ATI Product Solutions", "ATI Resources", and "Logout". Below this, a search bar is visible with a "Go" button. The main content area is titled "ATI STORE" and "Featured Products". On the left side, there are three vertical menus: "Register for...", "Redeem...", and "Shop by...". The "Register for..." menu has "TEAS® at PSI (formerly Pearson VUE)" circled in red. The "Featured Products" section contains six product cards. The first card is for "TEAS Transcript" with a "View Cart" button. The second card is for "Version V - ATI Test of Essential Academic Skills (TEAS V) Study Package - Study Manual and Online Practice (Form A and B)" priced at \$85.00. The third card is for "Learning Strategies: Your Guide to Classroom and Test-Taking Success" priced at \$15.00. The fourth and fifth cards are for "Virtual-ATI® NCLEX-RN® Existing ATI User Package" and "Virtual-ATI® NCLEX-PN® Existing ATI User Package" respectively, both featuring a mouse icon and the ATI logo. The sixth card is partially visible at the bottom.
